Each year the Folsom Lake College Foundation turns to the faculty, staff, administrators and community requesting a contribution to the Folsom Lake College Annual Fund. The money raised through this annual fundraising effort helps us meet the additional needs for classroom equipment, program support and student resources that the State budget is not able to provide. Last year we were able to grant funds for fourteen student book scholarships, equipment for the photography department, fund a program for the business department and provide support for DSPS’ project “Disability Awareness through the Creative Arts”. On December 2nd of this year we will be handing out an additional $1,500 in text book scholarships. None of this funding would have been possible without the Annual Fund!

A monthly investment of $5.00 combined with the same investment from your peers, will provide more than $12,500 annually to support the success of FLC’s students, faculty and staff. The power of pooled funds...all of us working together to ensure that we continue to deliver the very best educational experience to the students of Folsom Lake College.

If you would like to help make a difference in a student’s life, please consider making a contribution or increasing your current giving to the fund. Your gift is tax deductible and may be made through payroll deduction or by check or credit card.

And THANK YOU for your continued commitment to the students of Folsom Lake College

FOLSOM LAKE COLLEGE ANNUAL FUND-The Power of Pooled Funds
