Complaint Procedure And Impact

Discrimination and Harassment Complaint Procedures

Information on student concerns or complaints (including, but not limited to, equity, sexual harassment, Title IX, 504, ADA) may be viewed on the college website at <http://www.flc.losrios.edu/about-us/consumer-information#discrimination>. In addition to complaints being filed by students or employees, complaints may be initiated by other individuals or entities, such as a family member, representative, organization, or other third party wishing to file on behalf of an individual or group alleged to have suffered unlawful discrimination or harassment. The Los Rios District has an official Unlawful Discrimination Complaint form, on line at <http://www.losrios.edu/hr/forms/UnlawfulDiscrimComplaintRev2014.pdf>). However, while complainants should be encouraged to use the form, the form is not required and complaints shall not be considered defective or rejected based on the failure to file the complaint on the form.

Any individual or group who believes unlawful discrimination or harassment has been suffered is encouraged to follow the complaint procedures as set forth in the District's Discrimination Complaint Regulation R-2423 (<http://www.losrios.edu/legal/Regulations/R-2000/R-2423.pdf>). Throughout the complaint procedures process, the College President and the College/District Equity Officers will take all reasonable steps to ensure confidentiality is maintained; prevent retaliation and take action if it occurs; and, insure that due process will be followed with respect to both parties. In the case of a student, it shall not affect grades, class selection, or other matters pertaining to his or her status as a student. In a situation where evidence is found that an allegation of discrimination or harassment is brought solely for the purpose of vexation, the appropriate disciplinary action will be taken. Copies of the LRCCD Discrimination complaint policy and procedures and forms are also available from the campus Equity Officer (916) 608-6752 or Vice President of Administration, (916) 608-6555.

Smoking Policy

LRCCD Smoking Policy

Smoking is prohibited in all College/District facilities. Smoking is prohibited within 30 feet of any building entrance, exit, door, operable window and/or air intake duct (LRCCD regulation 1411.5.10).

Smoking on Campus Rules

Smoking is defined as inhaling, exhaling, burning or carrying any lighted or heated cigar, cigarette, pipe, or any other lighted or heated tobacco or other product intended for inhalation, in any matter or in any form. Smoking also includes the use of e-cigarettes. An e-cigarette is any oral device which provides a vapor of nicotine or any other substance for inhalation. E-cigarettes do not include products approved by the United States Department of Food and Drug Administration for medical treatment.

To promote a clean air environment, smoking at Folsom Lake College and its centers is permitted only in parking lots and designated smoking areas (DSA). DSAs are located at various locations throughout the campus (please see campus map). To ensure a clean campus environment, smoking waste (i.e., butts, filters, e-cigarette materials, smokeless tobacco) should be placed in appropriate waste receptacles. Smoking in non-designated smoking areas and/or inappropriate disposal of smoking waste may be subject to discipline.

For individuals interested in quitting smoking or smokeless tobacco use, free cessation services are provided at Health & Wellness Services (FL1-52/53). Additionally, for help quitting, contact the California Smokers' Helpline at 1-800-NO-BUTTS or visit www.californiasmokershelpline.org.
