The scholarships help me out a lot...there’s a lot of bills, it all adds up. I work 50 hours a week, and go to school full time. But with the help of these scholarships, I don’t have to do that this semester. It was a great thing!

“The FLC Veterans Resource Center began offering services to our veteran students in late 2012 with basically no budget. Without the Mini Grant, we definitely would have had a difficult start. Thank you to the Mini Grant provided by the FLC Foundation!”

“From Aerial Imaging in the Geosciences to 3D Printing and Robotics, the FLC Foundation Mini-Grant program has served as a catalyst for innovative curriculum. Grant funds provide crucial momentum for inventive teaching initiatives, and make possible engaging, hands-on learning opportunities for students.”

“FLC’s Student Services Department knows that no student should have to go hungry while here at our college. We’re committed to ensuring that, even if they can’t afford it, FLC students have the food they need for sustenance and to feed their brains! Thanks to the mini-grant received from the FLC Foundation and to generous donations provided and collected by FLC students, faculty and staff, we now have well-stocked Student Food Cabinets to make that commitment a reality.”

Mary Hansen
FLC Student Services Department

“When awarded the scholarship this year has allowed me to spend more time studying and not spending as much time working, that’s been good for a couple of reasons. One, it’s given me the time to understand the materials not only so I get good grades, but that I become increasingly passionate about these subjects.”

Chris Sheldon
Engineering major at FLC

“I give out of gratitude for the opportunities others provided me – and it was instilled in me by my parents that we are to give of our time, talents and resources to help others.”

About the Annual Fund
Student Scholarships. Faculty and Staff Mini Grants. Special projects that help advance the vision and mission of Folsom Lake College. These things and more are supported by the Annual Fund. Since 2005, the Folsom Lake College Foundation has awarded more than $21,000 in mini-grant support to FLC faculty, staff and student clubs for needs that can’t be met with public funds.

A Call to Action: The Faculty and Staff Campaign!
As a member of FLC’s faculty and staff, you support college initiatives and programs through your daily contribution of time and talent.

This year, the FLC Foundation is holding its first annual Faculty and Staff Giving Campaign, and the goal is to achieve 100% participation in staff donations to the Annual Fund. You donate the amount of your choice. It can be as little as $5 or as much as you are able to give. Remember: when you give to the Foundation, we GIVE BACK!

Thank you for your dedication to help transform Folsom Lake College into a premier educational destination for the diverse communities of eastern Sacramento and western El Dorado counties and for all that we have and will accomplish together!
