WHY GIVE TO FOLSOM LAKE COLLEGE SCHOLARSHIPS?
Although community colleges provide the best value in higher education, the cost of books, supplies, and transportation is still substantial. Estimated books, fees and tuition are $2,500 per year for a full-time student. Many of our students are working full-time or part-time in order to pursue their education and yet still cannot fully afford the associated costs. Scholarships bring higher education into the reach of students for whom an education might not otherwise be attainable. A named scholarship can be established for as little as $500 a year.

GENERAL INFORMATION
Students must have completed at least one course at FLC and be enrolled in at least one course at FLC at the time of their application. Students do not have to be U.S. citizens or permanent residents.

APPLICATION
The scholarship program is online. Students can apply from January through March of each year at https://scholarship.losrios.edu

SELECTION
The FLC scholarship committee is comprised of 6 Foundation Board Members. The committee evaluates the applications, recommendation letters, essays, and transcripts, and selects the recipient(s) for the individual scholarships. The committee’s decisions are based on financial need, academic ability, future potential, articulation of goals, leadership, and personal service. In the event that no student matches the criteria, no student will be selected, and the scholarship funds will be kept in the donor’s scholarship account for the next year.

AWARD DISBURSEMENT
Scholarship awards are paid the following fall, and sometimes spring semester(s), upon verification of enrollment at FLC or a four-year institution.

If the scholarship recipient does not attend college, the funds will be kept in the donor’s scholarship account for the next year.
