The purpose of this agreement is to clarify and set forth the essential terms between the institutions relating to curriculum requirements to be satisfied for any student attending and desiring to proceed to Palmer College of Chiropractic.

Each such student will be informed that he/she must complete 90 semester credit hours or 135 quarter credit hours of undergraduate studies. Palmer encourages students to pursue a well-rounded education with coursework that includes 24 science credits, half with labs, that may include biology (human anatomy and physiology, embryology, genetics, microbiology, immunology, cellular biology, exercise physiology, and kinesiology), chemistry (general chemistry, organic chemistry, analytical chemistry, biochemistry, toxicology/pharmacology, and nuclear medicine), and physical sciences (physics, biomechanics, and statistics).

Further, for admissions to Palmer College of Chiropractic each student must:

1. Apply one year in advance of intended starting date.
2. Meet the required 90 semester hours while maintaining a cumulative grade point average of a 3.00 on a 4.00 grading scale. Students who’ve earned 90 semester hours in the appropriate coursework with a 2.75 GPA may also qualify for admission to the Doctor of Chiropractic program.
3. Satisfy all other requirements as prescribed in the Palmer College of Chiropractic catalog.

Under this agreement, Folsom Lake College may list this program in the catalog and brochure and Palmer College of Chiropractic may do likewise, provided both institutions have approved the wording of all catalog and brochure copies referring to this program.

Signed and dated as set forth:

Palmer College of Chiropractic complies with the guidelines established by the Council on Chiropractic Education (CCE), which is recognized by the U.S. Secretary of Education for the accreditation of programs and institutions offering the Doctor of Chiropractic degree. The CCE requires students to have earned 90 semester credits (or 135 quarter) with a 3.0/4.0 cumulative grade-point average for admissions into a Doctor of Chiropractic Program. *

*Applicants who do not meet the CCE Admissions requirements may be eligible under the alternative admissions track plan. This point of entry requires applicant files to be reviewed by a committee. Decisions for admissions are determined on a case by case basis.

In addition to adhering to the CCE’s guidelines, Palmer College provides priority consideration to applicants who demonstrate a strong, well-rounded academic record supported by co-curricular learning experiences. Qualified applicants will be invited to interview for placement into the program.

Palmer encourages students to pursue a well-rounded education with coursework that includes 24 science credits, half with labs, that may include biology (human anatomy and physiology, embryology, genetics, microbiology, immunology, cellular biology, exercise physiology, and kinesiology), chemistry (general chemistry, organic chemistry, analytical chemistry, biochemistry, toxicology/pharmacology, and nuclear medicine), and physical sciences (physics, biomechanics, and statistics).

Listed below is a sample of some recommended courses within the undergraduate institution’s catalog that will assist a student in selecting coursework to meet the 24 semester credits in life and physical sciences. Other course selections may be acceptable; however, Palmer strongly encourages any student who is interested in chiropractic to contact the Admission’s Department for individual guidance.

**BIOLOGY**
- BIOL 400 Principles of Biology w/Lab 5
- BIOL 420 Principles of Zoology w/Lab 5

**INORGANIC CHEMISTRY**
- CHEM 400 General Chemistry I w/Lab 5
- CHEM 401 General Chemistry II w/Lab 5

**ORGANIC CHEMISTRY**
- CHEM 420 Organic Chemistry I w/Lab 5
- CHEM 421 Organic Chemistry II w/Lab 5

**PHYSICS**
- PHYS 350 General Physics I w/Lab 4
- PHYS 360 General Physics II w/Lab 4
  - OR
- PHYS 411 Mechanics of Solids and Fluids w/Lab 4
- PHYS 421 Electricity and Magnetism w/Lab 4

THIS PROGRAM IS SUBJECT TO REVISION DUE TO ADDITIONS AND/OR DELETIONS IN THE COLLEGE/UNIVERSITY BULLETIN.
