Students and Community: Your Input is Needed!

Folsom Lake College is writing an official diversity statement that establishes general guidelines to protect, respect, and empower all students regardless of racial, ethnic, cultural, religious, sexual, or other differences, including people with disabilities or special needs. We want to make sure that our college is truly an equal opportunity institution, that our campus and our classes are open, safe, and fair to all.

Please send us your thoughts, experiences on campus, and advice for creating this document. Here are some issues you might consider.

- What would you like to see included in our diversity statement?
- Have your experiences on our campus been positive or negative?
- Have you been treated with respect, concern, and courtesy (by staff, faculty, and other students)?
- Have you ever been the victim of harassment or seen someone harassed (by act or word)?
- Do you always feel safe on our campus?
- Has your academic success ever been hurt by the attitudes or actions of others?
- Do our classes, faculty and services help you understand and value other people in our increasingly diverse society?
- What can we do to reduce prejudice on campus, or in the larger community?

You don't need to respond to all of these questions. Choose which one/ones you want. We will appreciate your input.

Send your thoughts by email to FLC's Diversity Subcommittee at diversity@flc.losrios.edu – your email address will not be saved; only the message will be recorded. If you would like to send a letter, mail it to:

Professor Thomas Caramagno
Folsom Lake College
10 College Parkway
Folsom, CA 95630

The Diversity Subcommittee conducting this survey consists of Professors Thomas Caramagno, Tammy Montgomery, Gordon Lam, and Diana Chang-Tinoco, and Dean Monica Flores. Feel free to call us (through the main switchboard at 916-608-6500) or visit us if you have any questions.
