A minimum of 9 units from the following: 9^2

| AH 110  Medical Language for Health-Care Providers (3) |
| ANTH 310  Cultural Anthropology (3) |
| or SOC 300  Introductory Sociology (3) |
| or SOC 321  Race, Ethnicity and Inequality in the United States (3) |
| COMM 301  Introduction to Public Speaking (3) |
| or COMM 321  Interpersonal Communication (3) |
| or COMM 331  Group Discussion (3) |
| or COMM 361  The Communication Experience (3) |
| NUTRI 300  Nutrition (3) |
PSYC 300     General Principles (3)
PSYC 370     Human Development: A Life Span (3)
STAT 300     Introduction to Probability and Statistics (4)

TOTAL UNITS REQUIRED

24

1 BIOL 400, CHEM 400 and CHEM 401 required for Folsom Lake College's Medical Laboratory Program.
2 AH 110, COMM 301 or 321 or 331 and STAT 300 required for Folsom Lake College's Medical Laboratory Program.

The Pre-Allied Health Associate in Science (AS) degree may be obtained by completion of the required program, plus general education requirements, plus sufficient electives to meet a 60-unit total. See FLC graduation requirements.

This major prepares students to enter a variety of allied health training programs. It contains coursework required for majors such as Medical Lab Technology and Nursing. Students should work closely with their counselor to choose the appropriate courses for the program they wish to enter. This program prepares students to enter a variety of allied health training programs.

Program Student Learning Outcomes

Upon completion of this program, the student will be able to:

- Apply chemical principles to solve quantitative problems.
- Demonstrate skills in laboratory procedures and apply critical thinking skills in laboratory experiments.
- Describe the overall organization of the human body.
- Describe the roles that culture and diversity play in various aspects of human behavior.
- Demonstrate a workable knowledge of medical terminology.
- Explain the principles of nutrition and their effect on health.

ART 402 – ADD to General Education: CSU Area C1 (effective Fall 2017)

Page 129

ADD course:

BUS 302     Introduction to Business Analysis     3 Units
Prerequisite: None.
Course Transferable to CSU
Hours: 54 hours LEC

Business analysis includes the practical skills to increase organizational efficiency and effectiveness through business process improvement. This course teaches the essential business skills needed to implement activities and processes that solve basic business problems through the analysis of business data and information.
Students will learn the basics of problem solving, analysis of data and information, and basic business mathematic equations, in order to improve business operations.

**Page 138**

CHEM 306 – UPDATE Course Title: Introduction to Organic and Biological Chemistry

**Page 154**

CISN 304 – ADD to Course Description: (C-ID IT IS 150)

**Page 165**

ADD course:

DANCE 383    The Business of Dance    2 Units
*Prerequisite: None.*
*Course Transferable to CSU*
*Hours: 36 hours LEC*

The Business of Dance encompasses a comprehensive overview of the possible professional applications for a student studying dance. Careers such as professional dancer, choreographer, company director, dance historian, dance critic, dance educator, dance studio owner, dance movement therapist and non-profit arts management will be explored. Students will be expected to conceptualize, understand, and begin to implement strategies for workplace applicability in their area of emphasis in relation to dance. This course requires an offsite visit to a dance related place of employment.

**Page 196**

ADD course:

ENGLT 305    Introduction to the Novel    3 Units
*Prerequisite: ENGW 101 with a grade of "C" or better; or placement into ENGW 300 through the assessment process.*
*Course Transferable to CSU*
*Hours: 54 hours LEC*

This course explores the novel and its genre conventions beginning with its formative years and the writings of Samuel Richardson and Daniel Defoe to the present.

GERON 300 – ADD to General Education: IGETC Area 4
HIST 310 – ADD to General Education: CSU Area D (effective Fall 2017); CSU Area F1 (effective Fall 2017); CSU Area F2 (effective Fall 2017); IGETC Area 4

HIST 311 – ADD to General Education: CSU Area D (effective Fall 2017); CSU Area F1 (effective Fall 2017); CSU Area F3 (effective Fall 2017); IGETC Area 4

HIST 331 – DELETE from General Education: CSU Area F2

ADD course:

HIST 368    History of France    3 Units
Prerequisite: None.
Advisory: ENGWR 101 with a grade of "C" or better
Course Transferable to CSU
Hours: 54 hours LEC
A survey of the history of France from Roman Gaul to the present, this course examines the origin and development of French political, economic, and intellectual institutions, their influence on French society and culture, and France’s role in Europe and the wider world.

HIST 398 – ADD to General Education: CSU Area C2 (effective Fall 2017); CSU Area D (effective Fall 2017)

HCD 315 – ADD to General Education: CSU Area E

FITNS 390 –

   • ADD to General Education: CSU Area E2 (effective Fall 2018)
   • UPDATE: Course Transferable to CSU

UPDATE Vascular-Interventional Radiography (VIR) certificate program – DELETE statement: Note: This program is pending CCCCO approval. (Program has received CCCCO approval)

PACT 311 – UPDATE: Course Transferable to UC/CSU
ADD courses:

MATH 125   Intermediate Algebra with Applications   4 Units  
Prerequisite: MATH 100 with a grade of "C" or better, or placement through the assessment process.  
General Education: AA/AS Area II(b)  
Hours: 72 hours LEC  
This course meets the prerequisite to STAT 300, Math 310, Math 300, and PSYC 330 and is intended for Liberal Arts Majors. The course topics include equations and functions that are linear, quadratic, radical, rational, exponential, and logarithmic. This course will feature discovery activities that utilize technology to help deal with applications to real data sets and problems which are current and relevant. (Competency: Mathematics)

MATH 355   Calculus for Biology and Medicine I   4 Units  
Prerequisite: MATH 335 with a grade of "C" or better; or placement through the assessment process.  
General Education: AA/AS Area II(b)  
Course Transferable to CSU  
Hours: 72 hours LEC  
This course is an introduction to differential calculus and elementary differential equations via applications in biology and medicine. It covers limits, derivatives of polynomials, trigonometric and exponential functions, graphing, and applications of the derivative to biology and medicine. Topics include the Fundamental Theorem of Calculus and techniques of integration, including integral tables and numerical methods. This course does not meet the prerequisite for the Engineering Physics series. (Competency: Mathematics)

MATH 356   Calculus for Biology and Medicine II   4 Units  
Prerequisite: MATH 355 with a grade of "C" or better  
General Education: AA/AS Area II(b)  
Course Transferable to CSU  
Hours: 72 hours LEC  
This course covers matrix algebra with eigenvalues and eigenvectors, systems of linear equations, functions of several variables, partial derivatives, systems of differential equations, probability, and applications to biology and medicine. This course does not meet the prerequisite for the Engineering Physics series. (Competency: Mathematics)

MUIVI 495 – DELETE word from Course Description: Independent study designed to provide instrumental training not offered in other CRC music classes.

MUP 360 – UPDATE: Course Transferable to UC/CSU
PHYS 312 – ADD: General Education: CSU Area B3; IGETC Area 5C
ADD course:
PHYS 412  Mechanics of Solids and Fluids: Problem Solving  1 Unit
Prerequisite: None.
Corequisite: PHYS 411
Transferable to CSU
Hours: 18 hours LEC
This will be a one unit discussion and application class devised to accompany PHYS 411. This class will meet one hour a week to specifically work on problems and problem solving methods for Mechanics of Solids and Fluids.

PSYC 368 –
• ADD to General Education: AA/AS Area VI
• DELETE word from Course Description: This course is not open to those who have not completed SWHS 331.

SWHS 331 –
• ADD to General Education: AA/AS Area VI
• DELETE from General Education: CSU Area E1

SWHS 494 –
• UPDATE Prerequisite: SWHS 300 and SWHS 350 with grades of "C" or better.
• UPDATE Hours: 9-72 hours LEC
• UPDATE Course Description: This practicum course provides research and classroom experience in designing programs for public and/or private agencies providing mental health, corrections, chemical dependency, and child/adolescent treatment services. Students integrate concepts, values, and skills acquired from previous courses and apply their knowledge to the process of helping others via project planning. This course is not open to students who have previously taken HSER 499: Experimental Offering in Human Services (Advanced Practices in Human Services). This course is not open to students who have completed SWHS 367.

SOC 341 –
• ADD to General Education: AA/AS Area VI; CSU Area D (effective Fall 2018)
• ADD to Course Description: (C-ID SOCI 140)
SOC 379 – ADD to General Education: IGETC Area 4
