Prerequisite: None.
Advisory: ENGWR 101 with a grade of "C" or better
General Education: AA/AS Area I; AA/AS Area V(b);
Hours: 54 hours LEC
This course, offered in a Paris study abroad program, surveys French history to provide a background for exploring and appreciating French life and culture. The focus is on examining the historical context of French political, intellectual, and artistic development, thereby informing and enriching our understanding and enjoyment of French society and culture. The course will examine Roman Gaul, Medieval Francia, the High Middle Ages, the Renaissance and Wars of Religion, Absolutism and the Enlightenment, the French Revolution and Napoleon, the Nineteenth Century Revolutions and the Belle Epoque, the World Wars, and the Trente Glorieuses. Since many of these historical developments occurred in the city of Paris and most of the remaining artifacts are housed in Parisian museums, a significant portion of this course will include visits to historical sites and museums.

**UPDATE: 2017-2018 CSU General Education Requirements**

**2017-2018 Folsom Lake College**

**CSU General Education/Breadth Requirements**

FLC may certify a total of 39 units of lower division general education. Students are encouraged to complete lower division major requirements as part of their 60 units required for transfer. These requirements can be found at www.assist.org. It is important to meet with a counselor in selecting courses to determine the most appropriate courses to take depending on transfer institution and major. Students should request certification of their CSU GE prior to transfer. Courses listed in more than one area can only be used in one area for certification except courses listed in area B.

## 2017-2018 Folsom Lake College Intersegmental General Education Transfer Curriculum (IGETC)

Completion of the IGETC permits a student to transfer from a California Community College to a CSU or UC campus without the need, after transfer, to take additional lower division to satisfy campus general education requirements. All courses must be completed with a grade of "C" or better. Grades of "C-" will not fulfill this requirement. Courses that are listed in more than one area may only be used to satisfy the requirements in a single area except in Area 5. NOTE: IGETC is NOT appropriate for certain majors and/or campuses. Consult a counselor before choosing IGETC to fulfill General Education/Breadth requirements to make sure that it is an appropriate choice. See www.assist.org for major preparation course work required.
